WE CONGRATULATE YOUR ACCOMPLISHMENT!!

For your success in your area of competition, your school is awarding you a letter jacket. The school also provides the school letter as well as the sport or activity icon of the area in which you “lettered”. [We all want to get this right, so please read this provided information!]

You are responsible for the patches which are made in school colors to coordinate with the jacket. For convenience, patches are put in package groups. The Price

List (inside) shows which patches are included in the group; all sew-on fees are included in the packages. Additional individual patches (plus sew-on) may be added to these as well.

ORDERING

Representatives will be at your school on the designated day, and assist in the sizing with actual jackets. (For younger boys, please consider any future growth likelihood prior to sizing to be sure it will fit in future years).

PAYMENT

Checks and cash (5% discount) are accepted on the ordering day at school. We will set a deadline of 7-9 days after that in which payment can be made. **ONLY ONLINE CREDIT OR DEBIT CARD PAYMENTS CAN BE ACCEPTED AFTER THE SCHOOL DATE** (see back page for online payment instructions).

The final deadline for payment will trigger the order for jackets plus patches. Patches may be ordered anytime after the deadline, but will be ordered “loose”, shipped separately, and will not be sewn on the jacket. It will then be the responsibility of the jacket recipient to have the patches sewn-on locally.

In addition to the enclosed brochure, all patches and name styles
can be viewed on our website on the Gallery Tab.
